

# CATS: FOIA Disclosure Report as of 10/2/2015

The following categories of records will be redacted in their entirety:

| <i>General Records</i>  | <i>Description/Exemption</i>                |
|---|---|
| All assets seized prior to FY 97. CATS records are comprehensive to date. |   |
| All assets pending seizure other than judgments.                          | 5 U.S.C.552(b)(6) & 5 U.S.C.552(b)(7)(A)    |
| All assets pending a forfeiture decision.                                 | 5 U.S.C.552(b)(6) & 5 U.S.C.552(b)(7)(A)    |
| All assets that are on appeal.  | 5 U.S.C.552(b)(7)(F)                        |
| All assets pending a final disposal.                                      | 5 U.S.C.552(b)(7)(F)                        |
| All assets that are under seal or protective order.                       | 5 U.S.C.552(b)(7)(A)                        |
| All assets that have been equitable shared as an item.                    | 5 U.S.C.552(b)(7)(C) & 5 U.S.C.552(b)(7)(F) |
| All assets placed into official use.                                      | 5 U.S.C.552(b)(7)(F)                        |
| All assets with the following forfeiture statutes:                        | 5 U.S.C.552(b)(7)(E)                        |
| 18 U.S.C.1834   |   |
| 18 U.S.C.793(d)   |   |
| 18 U.S.C.794(d)   |   |
| 18 U.S.C.798(d)   |   |
| 18 U.S.C.981(a)(1)(B)   |   |
| 18 U.S.C.981(a)(1)(G)   |   |
| 18 U.S.C.981(a)(1)(H)   |   |
| 28 U.S.C.2467   |   |
| 22 U.S.C.401  |   |
| 50 U.S.C.783(e)   |   |

**General Records****Description/Exemption**

All assets with the following violation statutes:

5 U.S.C.552(b)(7)(E)

18 U.S.C.793

18 U.S.C.794

18 U.S.C.798

50 U.S.C.1705

18 U.S.C.2332

18 U.S.C.2332a

18 U.S.C.2332b

18 U.S.C.2339

18 U.S.C.2339A

18 U.S.C.2339B

22 U.S.C.611

All assets that contain a LIONS program category code that is associated with terrorism or national security.

5 U.S.C.552(b)(7)(E)

All assets that contain an agency program/classification code that is associated with terrorism or national security.

5 U.S.C.552(b)(7)(E)

All assets that are linked to an asset with the above forfeiture and violation statutes or LIONS/agency program/classification codes via a civil, criminal, restitution, administrative, or OCDETF case.

5 U.S.C.552(b)(7)(E)

All service of process information.

5 U.S.C.552(b)(7)(A) & 5 U.S.C.552(b)(7)(C)

All warrant information.

5 U.S.C.552(b)(7)(A)

All description, comment, and free text fields.

See Note \*

All tables that only have no meaningful data - only update timestamps and/or logical delete flags.

Not reasonably segregable.

All security related tables.

5 U.S.C.552(b)(7)(E)

All tables used by the system for audit, processing or operations. These tables do not contain asset/forfeiture related data or may include exempt data.

See Note \*

All system tables that are specific to the type of database install and its configuration.

5 U.S.C.552(b)(7)(E)

Duplicates of data provided have also been excluded.

\* Note: These fields may contain information that could be redactable by one or more of the following exemptions: (b)(4),(b)(5),(b)(6),(b)(7)(A),(b)(7)(C),(b)(7)(D),(b)(7)(E),(b)(7)(F)

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>            | <i>Element Definition</i>   | <i>Disclose</i> | <i>All Exemptions</i> |
|-------------------------------------|---------------------------------|---|-----------------|-----------------------|
| ABCLAIM_T                           |                                 |   |                 |                       |
| ABND_CL_DCSN                        | Abandonment Claim Decision Code | Abandonment Claim Decision code to represent the result of the claim; only accepted values are 'n' or 'y'.  | Y               |                       |
| ABND_CL_DCSN_DT                     | Abandonment Claim Decision Date | The date the abandonment claim decision is made.  | Y               |                       |
| ABND_CL_DENL                        | ***** Unused Column *****       | A textual description (that may be seen by the claimant) for why the abandoned property was denied.   | N               | See Note *            |
| ABND_CL_TYP                         | Abandonment Claim Type Code     | A code that indicates the type of claim which has been filed e.g. 1, 2. The values for this code are found in the Abandonment Claim Type decode table.  | Y               |                       |
| APRVL_NM                            | Approval Name                   | The name of the official within an agency who has authority to place his/her signature on a document to indicate approval.  | N               | (b)(6) (b)(7)(C)      |
| APRVL_TTL                           | Approval Title                  | The title of the official within an agency who has the authority to place his/her signature on a document or transaction.   | N               | See Note *            |
| ASSET_ID                            | Asset ID                        | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.   | N               | (b)(7)(F)             |
| CL_RCPT_DT                          | Claim Receipt Date              | The date that a claim was received/field by an agency.  | Y               |                       |
| CL_SPT_DOC_TXT                      | Claim Supporting Document Text  | Any additional information to support a claim.  | N               | See Note *            |
| OFC_ID                              | Office ID                       | Identification code of an office within an agency. Codes/Decodes will be maintained by the agency through the CATS Update Picklist Function.  | Y               |                       |
| OWN_PROOF_TYP                       | Ownership Proof Type Code       | A code that supports a claimant is the owner of the seized and/or abandoned property. The values for this code are 1. Title Document, 2. Tax Record, 3. Bill of Sale and 8. Other   | N               | (b)(6) (b)(7)(C)      |
| PTY_ID                              | Party ID                        | A system generated identification number used to uniquely identify each interested party within CATS. This identification number will be assigned sequentially to each unique interested party as information is entered. | Y               |                       |
| RUL_OFC_ID                          | Ruling Office ID                | The identification code of an office within a seizing agency or other federal agency that makes a ruling or decision on a claim or petition.  | Y               |                       |
| RUL_SUB_OFC_ID                      | Ruling Sub-Office ID            | The identification code of a subsidiary office within a seizing agency or other federal agency that makes a ruling or decision on a claim or petition.  | Y               |                       |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>             | <i>Element Definition</i>  | <i>Disclose</i> | <i>All Exemptions</i> |
|-------------------------------------|----------------------------------|--|-----------------|-----------------------|
| STAT_VIOL_CD                        | Statute Violation Code           | A code indicating the violation that led to the invocation of the forfeiture statute.  | Y               |                       |
| SUB_OFC_ID                          | Sub-Office ID                    | The identification code of a subsidiary office within an investigative agency or other federal agency.<br>Codes/Decodes will be maintained by the agency through the CATS Update Picklist Function.  | Y               |                       |
| UPDT_TMSTMP                         | Last Update Date/Time            | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.   | Y               |                       |
| <b>ABDECLAR_T</b>                   |                                  |  |                 |                       |
| ABND_CMNT                           | Abandonment Comment              | Comments regarding the Abandonment process of an asset   | N               | See Note *            |
| ABND_DCL_DT                         | Abandonment Declared Date        | The date the asset(s) was declared abandoned by the seizing agency.  | Y               |                       |
| ABND_DCSN_RSN                       | Abandonment Decision Reason Code | A value indicating the reason for the decision to declare the asset(s) abandoned. Eg: 1= Prop. Appraised Below Agency Limit, Owner Unknown, 2=Claim Not Filed, 3=Claim Filed but Denied, 4=Owner Refuses Possession of Property and 8=Other. | Y               |                       |
| APRVL_DT                            | Approval Date                    | The date a document or transaction was approved.   | Y               |                       |
| APRVL_NM                            | Approval Name                    | The name of the official within an agency who has authority to place his/her signature on a document to indicate approval.   | N               | (b)(6) (b)(7)(C)      |
| ASSET_ID                            | Asset ID                         | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.  | N               | (b)(7)(F)             |
| RUL_OFC_ID                          | Ruling Office ID                 | The identification code of an office within a seizing agency or other federal agency that makes a ruling or decision on a claim or petition.   | Y               |                       |
| RUL_SUB_OFC_ID                      | Ruling Sub-Office ID             | The identification code of a subsidiary office within a seizing agency or other federal agency that makes a ruling or decision on a claim or petition.   | Y               |                       |
| UPDT_TMSTMP                         | Last Update Date/Time            | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.   | Y               |                       |
| <b>ABND_CL_DCSN_L</b>               |                                  |  |                 |                       |
| ABND_CL_DCSN                        | Abandonment Claim Decision Code  | Abandonment Claim Decision code to represent the result of the claim; only accepted values are 'n' or 'y'.   | Y               |                       |
| ABND_CL_DCSN_DC                     | Abandonment Claim Decision       | Decode value for Abandonment Claim Decision code where n= deny and y = grant.  | Y               |                       |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>             | <i>Element Definition</i>  | <i>Disclose</i> | <i>All Exemptions</i> |
|-------------------------------------|----------------------------------|--|-----------------|-----------------------|
| ABND_DCSN_L                         |                                  |  |                 |                       |
| ABND_DCSN_DC                        | Abandonment Decision Reason      | The code indicating the reason for the decision to declare the asset(s) abandoned. Values for these are codes are found in the Abandonment Decision Reason lookup table.   | Y               |                       |
| ABND_DCSN_RSN                       | Abandonment Decision Reason Code | A value indicating the reason for the decision to declare the asset(s) abandoned. Eg: 1= Prop. Appraised Below Agency Limit, Owner Unknown, 2=Claim Not Filed, 3=Claim Filed but Denied, 4=Owner Refuses Possession of Property and 8=Other.               | Y               |                       |
| ABND_RUL_CL_L                       |                                  |  |                 |                       |
| ABND_CL_RUL                         | Abandonment Claim Ruling Code    | A code indicating the clause that will be used in the standard abandonment claim ruling stating whether the claim was granted or denied.   | Y               |                       |
| ABND_CL_RUL_DC                      | Abandonment Claim Ruling         | These values indicate the clause that will be used in the standard abandonment claim ruling stating whether the claim was granted or denied. The values include "You must claim and take possession of the property" or "Denial of the Claim."             | Y               |                       |
| ABNDCL_TYP_L                        |                                  |  |                 |                       |
| ABND_CL_TYP                         | Abandonment Claim Type Code      | A code that indicates the type of claim which has been filed e.g. 1, 2. The values for this code are found in the Abandonment Claim Type decode table.   | Y               |                       |
| ABND_CL_TYP_DC                      | Abandonment Claim Type           | These values are associated with the Abandonment Claim Type Code. Examples are 1 - abandonment and 2 - abandonment reconsideration request.  | Y               |                       |
| ACTG_ALLOC_L                        |                                  |  |                 |                       |
| ACTG_ALLOC_CD                       | Accounting Allocation Code       | This code identifies the allocation group for assets that will be selected for lump sum collection/expense. There are four choices including seizure event ID (seizure number). The values of this code are found in the accounting allocation code table. | Y               |                       |
| ACTG_ALLOC_DC                       | Accounting Allocation Group      | This value identifies the allocation group for assets that will be selected for lump sum collection/expense. Examples include: Docket No, Seizure Event Id, Vendor, Ad Code.   | N               | (b)(6) (b)(7)(C)      |
| ACTG_CTRAN_L                        |                                  |  |                 |                       |
| ACTG_TRAN_C_CD                      | Accounting Transaction C Code    | A code indicating the type of accounting transaction for a collection agency. Valid codes are A, D, F, G, R, S, U, V, X. The description of this code is found in the Accounting Transaction Code Table.   | Y               |                       |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>            | <i>Element Definition</i>  | <i>Disclose</i> | <i>All Exemptions</i> |
|-------------------------------------|---------------------------------|--|-----------------|-----------------------|
| ACTG_TRAN_C_DC                      | Accounting Transaction C Decode | A value indicating the type of accounting transaction for a collection agency. Valid values includes: check number, obligation, or voucher. The description of this value is found in the Accounting Transaction Code Table. | N               | (b)(6) (b)(7)(C)      |
| ACTG_PTY_TYP_L                      |                                 |  |                 |                       |
| ACTG_PTY_TYP_CD                     | Accounting Party Type Code      | A code that specifically identifies the type of party directly connected with an accounting transaction such as party, other agency or vendor.   | Y               |                       |
| ACTG_PTY_TYP_DC                     | Accounting Trans Party Type     | A value that specifically identifies the type of party directly connected with an accounting transaction such as party, other agency or vendor.  | Y               |                       |
| ACTG_XTRAN_L                        |                                 |  |                 |                       |
| ACTG_TRAN_X_CD                      | Accounting Transaction X Code   | A code indicating the type of accounting transaction such as check number, obligation, or voucher number. More descriptions of this code are found in the Accounting Transaction Code Table.                                 | Y               |                       |
| ACTG_TRAN_X_DC                      | Accounting Transaction X Decode | These values are associated with a transaction number for an expense transaction. Examples include Check number, Obligation, or Voucher number.  | N               | (b)(6) (b)(7)(C)      |
| AD_CD_DEA_L                         |                                 |  |                 |                       |
| AD_CD_DEA_DC                        | DEA Advertisement Code          | These values are associated with the DEA Primary Advertisement Code.   | Y               |                       |
| AD_CD_PRIM_DEA                      | DEA Primary Advertisement Code  | A sequential number, currently used by DEA that correlates to the date the seizure notice was first published in the newspaper.  | Y               |                       |
| LOGICAL_DLT_FLG                     | Logical Delete Flag             | A yes or no flag that identifies if a table entry has been inactivated in the database.  | Y               |                       |
| UPDT_TMSTMP                         | Last Update Date/Time           | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.   | Y               |                       |
| AD_TYP_L                            |                                 |  |                 |                       |
| AD_TYP                              | Advertisement Type              | A code indicating the type of advertisement to be produced. The values for this code are found in the Advertisement Type decode table. The codes are A and B.  | Y               |                       |
| AD_TYP_DC                           | Advertisement Type Description  | These values are associated with the Advertisement Type Code. The selections are either Abandonment or Seizure.  | Y               |                       |

| AGCY_TYP                            | Agency Type Code                     | A code identifying the primary classification of the agency. Maybe Federal, State, Local, Foreign, etc. Codes/Decodes will be maintained by the agency through the CATS Update Picklist Function.                      | Y               |                       |
| AGCY_TYP_DC                         | Agency Type                          | A value identifying the primary classification of the agency. May be Federal, State, Local, Foreign, etc. Codes/Decodes will be maintained by the agency through the CATS Update Picklist Function.                    | Y               |                       |
| LOGICAL_DLT_FLG                     | Logical Delete Flag                  | A yes or no flag that identifies if a table entry has been inactivated in the database.  | Y               |                       |
| UPDT_TMSTMP                         | Last Update Date/Time                | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.   | Y               |                       |
| <b>AIRCRAFT_T</b>                   |                                      |  |                 |                       |
| AIR_WRHNS_CERT                      | Aircraft Worthiness Certificate Flag | A flag indicating that the Air Worthiness Certificate is actually present for the aircraft being seized. This certificate states the aircraft is airworthy and has been maintained in accordance with FAA regulations. | Y               |                       |
| AIRCFT_LOG_FLG                      | Aircraft Log Flag                    | This flag states whether or not any of the aircraft's log books were seized with the aircraft.   | Y               |                       |
| AIRCFT_TAIL_NO                      | Aircraft Tail Number                 | The registration number marked on the aircraft's tail.   | N               | (b)(6) (b)(7)(C)      |
| AIRFRM_HRS                          | Airframe Hours                       | The total number of hours the aircraft body has logged in flight.  | Y               |                       |
| ASSET_COLOR                         | Asset Color                          | The color of the seized asset.   | N               | See Note *            |
| ASSET_ID                            | Asset ID                             | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.  | N               | (b)(7)(F)             |
| ASSET_PHOTO_TKN                     | Asset Photo Taken Flag               | A flag indicating at least one photograph has been taken of the seized asset during the seizure process. "Y" or "N" (Photo was/was not taken)  | Y               |                       |
| CNCLD_CMPT_FLG                      | Concealed Compartment Flag           | A flag indicating if the asset has a concealed compartment. Valid values are "Y" or "N."   | Y               |                       |
| CND                                 | Asset Condition Code                 | A code identifying the condition of the asset at the time of seizure such as excellent, good, or fair. The values for this code are found in the Asset Condition decode table.   | Y               |                       |
| ENGN_QTY                            | Engine Quantity                      | The number of engines installed in the aircraft or vessel.   | Y               |                       |
| LIC_CTRY                            | Licensing Country                    | The name of the country where this asset is licensed.  | N               | (b)(6) (b)(7)(C)      |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>    | <i>Element Definition</i>  | <i>Disclose</i> | <i>All Exemptions</i>                   |
|-------------------------------------|-------------------------|--|-----------------|---|
| LIC_NO                              | License Number          | The asset's license or registration number. This does not include the state's name or an abbreviation containing the state's name. Examples of license number include Conveyance License and Business License. | N               | (b)(6) (b)(7)(C)                        |
| LIC_ST                              | License State           | The name of the state where this asset is licensed.  | N               | (b)(6) (b)(7)(C)                        |
| LIC_YR                              | License Year            | The year when the asset or the asset's license was issued.   | N               | (b)(6) (b)(7)(C)                        |
| LOG_BOOK_LOC                        | Log Book Location       | Location of the aircraft's log books.  | N               | See Note *                              |
| MAKE                                | Asset Make              | A description of the asset or equipment's make, e.g. Chevrolet, Honda, Lear Jet, etc. or commonly the manufacturer's name.   | N               | See Note *                              |
| MFG_YR                              | Asset Manufactured Year | The year when the asset was manufactured.  | Y               |   |
| MODEL                               | Asset Model Name        | Name of the model of the asset or equipment, e.g. Mustang, Town Car, etc.  | N               | (b)(6) (b)(7)(C)<br>(b)(7)(E) (b)(7)(F) |
| NCIC_HIT                            | NCIC Hit Code           | A code that indicates the status returned for an asset as a result of a search through the NCIC database. Example, a code of "Y" means the asset was found on the NCIC database and is stolen.                 | Y               |   |
| SP_EQUIP_FLG                        | Special Equipment Flag  | A yes/no flag indicating if the asset has any special equipment, such as radio, telephone, etc.  | Y               |   |
| STYLE                               | Style                   | The description of the asset's style. For vehicles, the style could be "convertible" or "coupe". For jewelry, the style could be "art deco."   | N               | See Note *                              |
| UPDT_TMSTMP                         | Last Update Date/Time   | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.   | Y               |   |
| <b>AIRENGN_T</b>                    |                         |  |                 |   |
| ASSET_ID                            | Asset ID                | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.  | N               | (b)(7)(F)                               |
| ENGN_HRS                            | Engine Hours            | The total number of hours the aircraft engine has logged in flight.  | Y               |   |
| ENGN_SER_NO                         | Engine Serial Number    | A unique identifier affixed to the engine(s) of a conveyance. In the case of vehicles, the vehicle identification number (VIN) is used.  | N               | (b)(6) (b)(7)(C)                        |
| ENGN_SIZE                           | Engine Size             | The size of the engine installed in the aircraft or vessel, including units of measurement (cubic inches, liters, etc.)  | N               | See Note *                              |
| UPDT_TMSTMP                         | Last Update Date/Time   | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.   | Y               |   |

| ASSET_SUBTYP                        | Asset Sub-Type Code                  | A code identifying a more specific description of an asset. For instance, the asset type of Cash, has a sub type of 01 - US currency and 02 - Foreign Currency. The values of the sub types are found in the Asset Sub Type decode table. | Y               |                       |
| ASSET_SUBTYP_DC                     | Asset Sub-Type Description           | A value that identifies a more specific description of an asset. For instance, the asset type of Cash, has a sub type of 01 - US currency and 02 - Foreign Currency. There are different sub types for each asset type.                   | Y               |                       |
| ASSET_TYP                           | Asset Type Code                      | A code describing the type of asset such as VH - vehicle, VS - vessel, CA - cash. Descriptions for this code are found in the Asset Type decode table.  | Y               |                       |
| CMPLX_ASSET_FLG                     | Complex Asset flag                   | A flag to Identify if asset is considered a complex asset. A 'Y' value indicates a complex asset.   | Y               |                       |
| FSC_CD                              | Federal Standard Classification Code | A standard federal code to categorize an asset by type/sub-type   | Y               |                       |
| ZERO_VAL_FLG                        | Zero Value Flag                      | Flag that indicates if a particular Asset Type/SubType can have a value = 0 stored in CATS  | Y               |                       |
| <b>ASSET_T</b>                      |                                      |   |                 |                       |
| ACTN_COMPL_DT1                      | Action Complete Date 1               | The date the first forfeiture type was changed.   | Y               |                       |
| ACTN_COMPL_DT2                      | Action Complete Date 2               | The date the second forfeiture type was changed.  | Y               |                       |
| AD_CD_DEA_2035                      | DEA 20/35 Day Ad Code                | DEA 20/35 Day Ad Code   | Y               |                       |
| AD_CD_PREV1                         | Advertisement Code Previous 1        | A sequential number currently used by DEA that correlates to the date a seizure notice was first published in the newspaper by DEA. The number is sequential starting with 1 and incremented by 1.  | Y               |                       |
| AD_CD_PREV2                         | Advertisement Code Previous 2        | A sequential number currently used by DEA that correlates to the date a seizure notice was re-published in the newspaper by DEA. The number is sequential starting with 1 and incremented by 1.   | Y               |                       |
| AD_CD_PRIM_DEA                      | DEA Primary Advertisement Code       | A sequential number, currently used by DEA that correlates to the date the seizure notice was first published in the newspaper.   | Y               |                       |
| ADD_AGCY                            | Additional Agencies Flag             | A yes/no flag indicating if other agencies were involved with the investigation that led to the seizure of an asset.  | Y               |                       |
| ADD_AGCY_TYP_CD                     | Additional Agency Type Code          | A code identifying the type of additional agencies involved.  | Y               |                       |
| ADPT_DT                             | Adoption Date                        | The date the seizure was adopted by a federal agency.   | Y               |                       |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>                 | <i>Element Definition</i>   | <i>Disclose</i> | <i>All Exemptions</i>         |
|-------------------------------------|--------------------------------------|---|-----------------|-------------------------------|
| ANLST_ID                            | Analyst ID                           | The number or code that uniquely identifies a forfeiture analyst or specialist within an investigative agency.  | N               | (b)(6) (b)(7)(C)              |
| APRSD_DT                            | Appraised Date                       | The date of the most recent appraisal.  | Y               |                               |
| APRVL_DT                            | Approval Date                        | The date a document or transaction was approved.  | Y               |                               |
| APRVL_NM                            | Approval Name                        | The name of the official within an agency who has authority to place his/her signature on a document to indicate approval.  | N               | (b)(6) (b)(7)(C)              |
| APRVL_TTL                           | Approval Title                       | The title of the official within an agency who has the authority to place his/her signature on a document or transaction.   | N               | See Note *                    |
| ASSET_CBND_FLG                      | Asset Aggregate Flag                 | A yes/no flag indicating if an asset is a combination of several assets.  | Y               |                               |
| ASSET_DESC                          | Asset Description                    | A brief narrative describing an asset, its basic features and characteristics.  | N               | See Note *                    |
| ASSET_DSPN_DT                       | Asset Disposition Date               | The date the property was fully disposed.   | Y               |                               |
| ASSET_HNDL_TYP1                     | Asset Special Handling Type 1 Code   | A code indicating specific custody concerns when the asset is in custody. Examples include 04 - Environmental Concerns, 26 - Dangerous Animals, and 31 - Lead Based Paint.                                      | Y               |                               |
| ASSET_HNDL_TYP2                     | Asset Special Handling Type 2 Code   | A code indicating specific custody concerns when the asset is in custody. Examples include 04 - Environmental Concerns, 26 - Dangerous Animals, and 31 - Lead Based Paint.                                      | Y               |                               |
| ASSET_HNDL_TYP3                     | Asset Special Handling Type 3 Code   | A code indicating specific custody concerns when the asset is in custody. Examples include 04 - Environmental Concerns, 26 - Dangerous Animals, and 31 - Lead Based Paint.                                      | Y               |                               |
| ASSET_ID                            | Asset ID                             | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.   | N               | (b)(7)(F)                     |
| ASSET_ID_TYP                        | Asset ID Type Code                   | A code that indicates the format of the asset ID assigned to an asset. Ex: The asset ID format changes depending on if the asset is a standard asset, a referred asset or a private asset (seized by the USMS). | Y               |                               |
| ASSET_PUB_DT                        | Asset Advertisement Publication Date | The publication date the advertisement will or should appear in a selected newspaper.   | Y               |                               |
| ASSET_RCD_STS                       | Asset Record Status Code             | A code indicating the status of an asset record on the CATS Database. Examples include I - Incomplete or C - Complete.  | N               | (b)(7)(E)                     |
| ASSET_SQUAD                         | Asset Squad/Team                     | A code that identifies the asset squad or team.   | N               | (b)(6) (b)(7)(C)<br>(b)(7)(F) |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>           | <i>Element Definition</i>   | <i>Disclose</i> | <i>All Exemptions</i>                   |
|-------------------------------------|--------------------------------|---|-----------------|---|
| ASSET_SUBTYP                        | Asset Sub-Type Code            | A code identifying a more specific description of an asset. For instance, the asset type of Cash, has a sub type of 01 - US currency and 02 - Foreign Currency. The values of the sub types are found in the Asset Sub Type decode table. | Y               |   |
| ASSET_THRLD_FLG                     | Asset Value Threshold Flag     | A yes or no flag indicating if the asset meets the minimum value required to be forfeited.  | Y               |   |
| ASSET_TX_ASMT                       | Asset Tax Assessment Value     | The value of the tax assessment as identified by the local Assessment Office. This value is used to evaluate a property for tax purposes, and is not used as the amount of tax to be paid.  | N               | (b)(6) (b)(7)(C)                        |
| ASSET_TYP                           | Asset Type Code                | A code describing the type of asset such as VH - vehicle, VS - vessel, CA - cash. Descriptions for this code are found in the Asset Type decode table.  | Y               |   |
| ASSET_VAL                           | Asset Value                    | The most current estimated or appraised value of a seized asset.  | Y               |   |
| ASSET_VAL_AT_SZ                     | Asset Value At Seizure         | The actual or appraised value of the asset at the time of seizure.  | Y               |   |
| ASSET_VAL_FIRE                      | Asset Value at FIRE Begin Date | Asset value at the beginning of FIRE. Kept with the seizure form just like the Value at Seizure field.  | Y               |   |
| ATF_ASSET_SEQ_NO                    | ATF Asset Sequence Number      | ATF's Nforce system unique Asset Sequence Number within a case  | N               | See Note *                              |
| AWD_PRESENT_FLG                     | Award Present Flag             | A yes/no flag indicator that an award request should be granted or denied.  | N               | (b)(6) (b)(7)(C)<br>(b)(7)(D) (b)(7)(E) |
| CA_AGNT_ID                          | Case Agent User ID             | Case Agent User ID  | N               | (b)(6) (b)(7)(C)                        |
| CA_AGNT_NM                          | Case Agent Name                | The name of the agent who is assigned to the case involving the seizure of an asset.  | N               | (b)(6) (b)(7)(C)<br>(b)(7)(F)           |
| CA_AGNT_PH                          | ***** Unused Column *****      | The telephone number of the agent working on a given case.  | N               | (b)(6) (b)(7)(C)                        |
| CA_CAPTN                            | Case Name Caption Description  | The name of the case used by an investigative agency.   | N               | (b)(6) (b)(7)(A)<br>(b)(7)(C)           |
| CA_ENT_DT                           | Case Entered Date              | Date the judicial forfeiture case was entered into CATS   | Y               |   |
| CA_ID_AGCY                          | Agency Case ID                 | The number or code that uniquely identifies a case within an investigative agency.  | N               | (b)(6) (b)(7)(C)<br>(b)(7)(F)           |
| CA_ID_SUB_FILE                      | Case ID Sub-File               | A number assigned by the federal agency for their internal tracking of a case.  | N               | See Note *                              |
| CA_OPTN_CD                          | Case Operation Name Code       | A code identifying the major operation under which the associated asset was identified or seized.   | N               | (b)(6) (b)(7)(C)<br>(b)(7)(E)           |
| CA_SQUAD                            | Case Agent Squad               | The current Squad (Code) assignment for the Case Agent on the asset.  | N               | (b)(6) (b)(7)(C)<br>(b)(7)(F)           |
| CA_TYP                              | Case Type Code                 | A code that describes the case type. Examples include: 1 - Civil or 2 - Criminal.   | Y               |   |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>                 | <i>Element Definition</i>   | <i>Disclose</i> | <i>All Exemptions</i>         |

| ET_TRF_VFYD_DT                      | Electronic Transfer Verified Date       | The Transfer Verified Dt field indicates the date the funds were electronically transferred to the Seized Assets Deposit Fund. The date is provided by the CashLink system and entered by the USMS as verification that the deposit has occurred. | N               | (b)(6) (b)(7)(C)      |
| ET_VAL                              | Electronic Transfer Value               | The value amount of the Electronic Funds Transfer.  | Y               |                       |
| ET_VFYD_ENT_DT                      | Electronic Transfer Verified Entry Date | The date the an electronic transfer verified date was entered into CATS.  | N               | (b)(6) (b)(7)(C)      |
| ET_WIRE_TRC_NO                      | Electronic Transfer Wire Trace Number   | A 17 digit number used to trace electronic transfers.   | N               | (b)(6) (b)(7)(C)      |
| OFC_ID                              | Office ID                               | Identification code of an office within an agency. Codes/Decodes will be maintained by the agency through the CATS Update Picklist Function.  | Y               |                       |
| SUB_OFC_ID                          | Sub-Office ID                           | The identification code of a subsidiary office within an investigative agency or other federal agency. Codes/Decodes will be maintained by the agency through the CATS Update Picklist Function.  | Y               |                       |
| UPDT_TMSTMP                         | Last Update Date/Time                   | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.  | Y               |                       |
| VEND_ID_CD                          | Vendor ID Code                          | A unique identifier of a vendor who has the responsibility of maintaining an Asset.   | Y               |                       |
| VEND_LOC_CD                         | Vendor Location Code                    | A sequential number code generated by CATS that uniquely identifies different location within the same vendor structure.  | Y               |                       |
| <b>ASSETIAG_T</b>                   |   |   |                 |                       |
| ASSET_ID                            | Asset ID                                | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.   | N               | (b)(7)(F)             |
| CA_ID_INTRAGCY                      | Intra Agency Case Number                | A code that uniquely identifies a case within an investigative agency. An agency case is typically established before any investigative activities are performed by an agent.   | N               | (b)(6) (b)(7)(C)      |
| INAGCY_AGNT_NM                      | Intra Agency Agent Name                 | The agent name of the other agency involved with the asset.   | N               | (b)(6) (b)(7)(C)      |
| INAGCY_AGNT_PH                      | Intra Agency Agent Phone Number         | The agent phone number of inter agency which is involved with the asset.  | N               | (b)(6) (b)(7)(C)      |
| INAGCY_CT_NM                        | Intra Agency Contact Name               | The contact person's name of inter agency which is involved with the asset.   | N               | (b)(6) (b)(7)(C)      |
| INAGCY_CT_PH                        | Intra Agency Contact Phone Number       | The contact person phone number for the inter agency phone number.  | N               | (b)(6) (b)(7)(C)      |
| INAGCY_OFC_ID                       | Intra Agency Office ID                  | The Inter agency Office ID.   | Y               |                       |
| INAGCY_SQUAD                        | Intra Agency SQUAD/Team                 | A code to identify a squad or team for the inter agency.  | N               | (b)(6) (b)(7)(C)      |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>      | <i>Element Definition</i>  | <i>Disclose</i> | <i>All Exemptions</i>                    |
|-------------------------------------|---------------------------|--|-----------------|--|
| INAGCY_SUB_OFC                      | Intra Agency Sub-Office   | A code that identifies the suboffice for the inter agency.   | Y               |  |
| UPDT_TMSTMP                         | Last Update Date/Time     | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.   | Y               |  |
| <b>ASSETITM_T</b>                   |                           |  |                 |  |
| APRSL_DT                            | Appraisal Date            | Date of appraisal  | Y               |  |
| ASSET_ID                            | Asset ID                  | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.  | N               | (b)(7)(F)                                |
| ATF_ASSET_SEQ_NO                    | ATF Asset Sequence Number | ATF's Nforce system unique Asset Sequence Number within a case   | N               | See Note *                               |
| CND                                 | Asset Condition Code      | A code identifying the condition of the asset at the time of seizure such as excellent, good, or fair. The values for this code are found in the Asset Condition decode table.   | Y               |  |
| DPST_DT                             | Deposit Date              | The date that an Asset's item is deposited into the SADP.  | Y               |  |
| FRARM_CALBR                         | Firearm Caliber           | The diameter of the bore of a firearm.   | N               | See Note *                               |
| ITEM_CNT                            | Item Count                | A generic field that may be used to show the quantity or count of items, sub-items, or any other entity. For example, it may be used to show the number of a particular type of weapon when many weapons are recorded under the same Asset Id.               | Y               |  |
| ITEM_DESC                           | Item Description          | The description of the item (within an asset) documenting its basic features and characteristics.  | N               | See Note *                               |
| ITEM_SEQ_NO                         | Item Sequence Number      | A number that uniquely identifies an inventory item within a specific asset.   | Y               |  |
| ITEM_SUBTYP                         | Item Sub-Type             | A value that identifies a more specific description of an item. There are different sub types for each asset type. For instance, electronic equipment has a sub type of 03 - Scanner. Values for the sub types are found in the Asset Sub Type decode table. | Y               |  |
| ITEM_TYP                            | Item Type Code            | A code describing the item (within a seized asset). Such as EL - electronic equipment. Descriptions for this code are found in the Asset Type decode table.  | Y               |  |
| ITEM_VAL                            | Item Value                | The value of an item within a seized asset. The sum of all item values for a given asset must equal asset value.   | Y               |  |
| MAKE                                | Asset Make                | A description of the asset or equipment's make, e.g. Chevrolet, Honda, Lear Jet, etc. or commonly the manufacturer's name.   | N               | See Note *                               |
| MODEL                               | Asset Model Name          | Name of the model of the asset or equipment, e.g. Mustang, Town Car, etc.  | N               | (b)(6) (b)(7)(C)<br>(b)(7)(E) (b)((7)(F) |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>              | <i>Element Definition</i>  | <i>Disclose</i> | <i>All Exemptions</i>             |
|-------------------------------------|-----------------------------------|--|-----------------|-----------------------------------|
| SER_NO                              | Serial Number                     | A unique number assigned by a manufacturer to identify a piece of property.  | N               | (b)(3) (b)(6) (b)(7)(C) (b)(7)(E) |
| STYLE                               | Style                             | The description of the asset's style. For vehicles, the style could be "convertible" or "coupe". For jewelry, the style could be "art deco".   | N               | See Note *                        |
| UPDT_TMSTMP                         | Last Update Date/Time             | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.                                     | Y               |                                   |
| <b>ASSETOAG_T</b>                   |                                   |  |                 |                                   |
| ASSET_ID                            | Asset ID                          | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.  | N               | (b)(7)(F)                         |
| CA_ID_OAG                           | Other Agency Case Number          | The other agency's case number that is associated with the asset.  | N               | (b)(7)(A) (b)(7)(E)               |
| DCLND_BY                            | Declined By User Name             | The user that initiated the Decline Sharing action on an asset. The user ID is stored and the full name (from UMC User Account table) is displayed. The name should be formatted as Last Name, First Name. | N               | (b)(6) (b)(7)(C) (b)(7)(F)        |
| DCLND_SHR_DT                        | Declined Sharing Date             | The date the Requesting Agency declined sharing on an asset.   | Y               |                                   |
| OAG_ADPT_FRM                        | Other Agency Adopted From Flag    | A yes/no flag related to an Other Agency on the Std Seizure Form. It indicates whether the federal processing agency adopted the seized asset from that Other Agency. Valid values are: "Y" or "N".        | Y               |                                   |
| OAG_CT_EMAIL                        | Other Agency Email Address        | The Other Agency Contact Person's Email address.   | N               | (b)(6) (b)(7)(C)                  |
| OAG_CT_FAX                          | Other Agency Contact Fax Number   | Other Federal or State/Local Investigative Agency's Fax number.  | N               | (b)(6) (b)(7)(C)                  |
| OAG_CT_NM                           | Other Agency Contact Name         | Other Agency Federal or State/Local Investigative Agency's contact person name.  | N               | (b)(6) (b)(7)(C)                  |
| OAG_CT_PH                           | Other Agency Contact Phone Number | Phone number of the person from State or Local Investigative Agency that helped in the seizing of an Asset.  | N               | (b)(6) (b)(7)(C)                  |
| OAG_CT_TTL                          | Other Agency Contact Title        | Other Agency Contact Person's Title.   | N               | See Note *                        |
| OAG_CTRY                            | Other Agency Country              | The name of the country of the Other Agency.   | Y               |                                   |
| OAG_CTY                             | Other Agency City                 | The city of the other agency.  | N               | See Note *                        |
| OAG_NCIC_CD                         | Other Agency NCIC Code            | A unique identifier of the state or local agency assigned by the National Crime Information Center . Example CAINS2200   | N               | (b)(7)(E)                         |
| OAG_NCIC_PREV1                      | First Previously Saved NCIC Code  | The NCIC/ORI code that was first assigned to the Agency.   | N               | (b)(7)(E)                         |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>                | <i>Element Definition</i>  | <i>Disclose</i> | <i>All Exemptions</i>         |
|-------------------------------------|-------------------------------------|--|-----------------|-------------------------------|
| OAG_NCIC_PREV2                      | Second Previously Saved NCIC Code   | The NCIC/ORI code that was assigned to the Agency a second time.   | N               | (b)(7)(E)                     |
| OAG_OFC_ID                          | Other Agency Office ID              | A code that uniquely identifies the Office ID for the Agency on the Other Agency Details screen.   | Y               |                               |
| OAG_OFFICER_NM                      | Requesting Agency's Officer's Name  | The name of the officer from the Requesting Agency who participated in the seizure or investigation of the asset.  | N               | (b)(6) (b)(7)(C)<br>(b)(7)(F) |
| OAG_SA1                             | Other Agency Street Address 1       | The first line of the street address for the state or local agency.  | N               | See Note *                    |
| OAG_SA2                             | Other Agency Street Address 2       | The second line of the street address for the State or Local Agency.   | N               | See Note *                    |
| OAG_SQUAD                           | Other Agency SQUAD/Team             | A code to identify a squad or Team for the other Agency.   | N               | (b)(6) (b)(7)(C)              |
| OAG_ST                              | Other Agency State                  | The other agency state.  | Y               |                               |
| OAG_SUB_OFC_ID                      | Other Agency Sub-Office             | A code that identifies the suboffice for the other agency (state or local investigative agency).   | Y               |                               |
| OAG_ZIP                             | Other Agency Zip Code               | The other agency Zip Code.   | N               | (b)(6) (b)(7)(C)              |
| OTH_ASSET_ID                        | Other Asset ID                      | Freeform text field that contains other identifying asset numbers.   | N               | (b)(7)(A)                     |
| SHR_JNT_FLG                         | Joint Agency Sharing Flag           | Yes or no flag indicating if sharing is possible with this joint agency.   | Y               |                               |
| SZ_METH_STLOC                       | Seizure Method State and Local Code | A coded value describing the means by which the asset was seized by the State or Local agency.   | Y               |                               |
| UPDT_TMSTMP                         | Last Update Date/Time               | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server. | Y               |                               |
| <b>ASSETRCD_STS_L</b>               |                                     |  |                 |                               |
| ASSET_RCD_DC                        | Asset Record Status Description     | Describes the status of the asset. EX: Complete, Incomplete.   | Y               |                               |
| ASSET_RCD_STS                       | Asset Record Status Code            | A code indicating the status of an asset record on the CATS Database. Examples include I - Incomplete or C - Complete.   | Y               |                               |
| <b>ASSETSTO_T</b>                   |                                     |  |                 |                               |
| ASSET_ID                            | Asset ID                            | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.  | N               | (b)(7)(F)                     |
| CONTRACTOR_REF_DT                   | Contractor Referral Date            | Date an contractor was contacted   | Y               |                               |
| CS_AGCY_CD                          | Custody Agency Code                 | A code identifying the agency that has custodial responsibility for the asset.   | Y               |                               |

|-------------------------------------|---|--|-----------------|-----------------------|
| OAG_NCIC_CD                         | Other Agency NCIC Code                    | A unique identifier of the state or local agency assigned by the National Crime Information Center . Example CAINS2200   | N               | (b)(7)(E)             |
| OFFST_AMT                           | Offset or Payment Amount                  | Amount of Offset or Payment amount used to reduce the agency's balance.  | Y               |                       |
| SHR_ASST_FLG                        | Sharing Agency Unique Asst Flag           | A yes/no response by the state/local agency to the question, "Did your agency supply any unique or indispensable assistance?"  | Y               |                       |
| SHR_CONTRIB_HRS                     | Sharing Contributed Hours                 | The number of hours expended by the state/local agency in contributing to the seizure of the asset referenced in an equitable sharing request.   | Y               |                       |
| SHR_EXEC_AMT                        | Sharing Execution Amount                  | The Sharing Execution Amount based on the Equitable Sharing Memorandum type.   | Y               |                       |
| SHR_EXEC_DT                         | Sharing Execution Date                    | The date the Equitable Sharing Memorandum was completed.   | Y               |                       |
| SHR_EXEC_ENT_DT                     | Date Memo Entered (System Date)           | The Date the Equitable Sharing Memo was entered.   | Y               |                       |
| SHR_EXEC_ENT_ID                     | Memo Entered by (User Id)                 | The User's ID who entered the Equitable Sharing Memo   | N               | (b)(6) (b)(7)(C)      |
| SHR_EXEC_STS_CD                     | Sharing Execution Status Code             | A code that identifies the decision on the Equitable Sharing Memorandum. Values for this code are found in the Sharing Status Code Table. Examples are EX-( Executed), RO-(Reject Other).  | Y               |                       |
| SHR_FED_AMT                         | Federal Sharing Amount                    | The amount that the federal agencies must have for sharing. This amount must equal or exceed 20%. For assets where the cash proceeds are requested, the max % is 80 and the remaining 20% remains in the fund for the federal share. | Y               |                       |
| SHR_IA_EXP                          | Investigative Agency Expense              | The expenses incurred by the Investigating Agency that are directly related to the processing or litigating of a particular seized asset.  | Y               |                       |
| SHR_INFO_ORIGR                      | Sharing Agency Information Origin         | A yes/no response by the state/local agency to the question, "Did your agency originate the information leading to the seizure?"   | Y               |                       |
| SHR_OTH_ASSET                       | Sharing Other Asset Flag                  | A yes/no flag indicating if any other assets were seized under federal law at that time or during the same investigation. If other assets were seized, the field office must supply a list with the DAG72.                           | Y               |                       |
| SHR_OTSDNG_LIEN                     | Sharing Outstanding Liens                 | The outstanding lien amount for a specific asset as indicated on the DAG-71.   | Y               |                       |
| SHR_PCT_TO_SHR                      | Sharing Percent To Be Shared              | The actual percentage available for sharing.   | Y               |                       |
| SHR_PRE_APPRVD_AMT                  | International Sharing Pre-approved Amount | International Sharing Amount Set aside by AFMLS, though Sharing not yet approved ,so Domestic Sharing can continue in INTL_SHR_RCMD_T  | Y               |                       |

|-------------------------------------|-------------------------------------|---|-----------------|-----------------------|
| SHR_REQ_DT                          | Sharing DAG-71 Date                 | The date the sharing request form (DAG-71) was completed.   | Y               |                       |
| SHR_REQ_PCT                         | Sharing Requested Percentage        | Identifies the percentage of the total cash or net proceeds related to a specific seized asset that is being requested by a state/local agency using an equitable sharing request. A valid integer value between 1 and 100.                           | Y               |                       |
| SHR_REQ_RECV_DT                     | Sharing Request Received Date       | The date the DAG-71 is received by the investigative agency field office from the state or local agency.  | Y               |                       |
| SHR_REQ_TYP                         | Sharing Request Type Code           | A code that identifies if the state/local agency wishes to receive an actual item of property (e.g., vehicle, boat) or wishes to receive cash. The cash may be the result of cash seizure or proceeds from the sale of property. Valid codes: C or I. | Y               |                       |
| SHR_ST_SZ_ASSET                     | Sharing State Law Seized Asset Flag | A yes/no response by state/local agency to the question, "Were any other assets seized under state law?"  | Y               |                       |
| SHR_TA_AGREEMENT                    | Sharing Req Task Force Agreement    | This is a True/False field that identifies if the requesting agency has a task force agreement.   | Y               |                       |
| SHR_TL_INCM                         | Equitable Sharing Total Income      | The total income amount available for sharing.  | Y               |                       |
| SHR_TYP                             | Sharing Type Code                   | A code that identifies whether the asset being requested via an equitable sharing was seized solely by the state/local agency (e.g., adoption) or was seized during a joint investigation with a federal investigative agency.                        | Y               |                       |
| SHR_USA_EXP                         | Equitable Sharing USA Expenses      | The expenses incurred by the United State Attorney's Office as a result of processing or litigating a particular seized asset.  | Y               |                       |
| SHR_USE_CMNT                        | Sharing Use Intended Clause         | A explanation of the intended use of sharing proceeds as defined by the intended requesting agency. This explanation is required when the cash/property will be used in a manner not described on the Sharing Form.                                   | N               | See Note *            |
| SHR_USE_EQUIP                       | Sharing Use Equip Purchase Flag     | A yes/no flag indicating if the intended sharing agency plans to use the sharing proceeds to purchase equipment.  | Y               |                       |
| SHR_USE_OFCL                        | Sharing Use Official Use Flag       | A yes/no flag indicating if the intended sharing agency plans to use property received from equitable sharing for official use.   | Y               |                       |
| SHR_USE_OTHER                       | Sharing Use Other Flag              | A yes/no flag indicating if the intended sharing agency plans to use the sharing proceeds or property for other unspecified uses.   | Y               |                       |
| SHR_USE_SAL                         | Sharing Use Salaries Flag           | A yes/no flag indicating if the intended sharing agency plans to use the sharing proceeds for salaries.   | Y               |                       |
| SHR_USE_VEHCL                       | Sharing Use Vehicle Purchase Flag   | A yes/no flag indicating if the intended sharing agency plans to use the sharing proceeds to purchase vehicles.   | Y               |                       |
| SHR_USMS_EXP                        | Equitable Sharing USMS Expenses     | The expenses incurred by the United State Marshals Service that directly relate to the processing and handling of a particular seized asset.  | Y               |                       |

| LIEN_TL_AMT                         | Lien Total Amount                   | A derived value indicating the total lien amount for a specific asset.   | Y               |                       |
| OAG_NM                              | Other Agency Name                   | Other agency's name. Example: Los Ang Drug Task Force  | Y               |                       |
| OFC_ID                              | Office ID                           | Identification code of an office within an agency. Codes/Decodes will be maintained by the agency through the CATS Update Picklist Function.   | Y               |                       |
| SHR_DCSN_FM_DT                      | Sharing DAG-72 Date                 | The date the sharing forms were completed.   | Y               |                       |
| SHR_DSPN                            | Sharing Disposition Code            | A code that indicates the decision on a sharing request. The description of this code is found in the Sharing Disposition code table. Examples include D- Deny, G- Grant, or W- Withdrawn.   | Y               |                       |
| SHR_DSPN_DT                         | ***** Unused Column *****           | ***** Unused Column *****  | Y               |                       |
| SHR_OAG                             | Sharing Other Agency                | A yes/no flag indicating if any other agencies were involved in the seizure or investigation. If other agencies were involved the field office must supply a list of the agencies with the DAG72.  | Y               |                       |
| SHR_OTH_ASSET                       | Sharing Other Asset Flag            | A yes/no flag indicating if any other assets were seized under federal law at that time or during the same investigation. If other assets were seized, the field office must supply a list with the DAG72.   | Y               |                       |
| UPDT_TMSTMP                         | Last Update Date/Time               | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.   | Y               |                       |
| USA_TL_EXP                          | ***** Unused Column *****           | The total of all expenses incurred by the U.S. Attorney's office(s) that are directly the result of processing and litigating a particular seized asset. The following types of asset-related expenses are included in the calculation of this amount. | Y               |                       |
| DAG72_TXT_T                         |                                     |  |                 |                       |
| ASSET_ID                            | Asset ID                            | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.  | N               | (b)(7)(F)             |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>                 | <i>Element Definition</i>  | <i>Disclose</i> | <i>All Exemptions</i>                   |
|-------------------------------------|--------------------------------------|--|-----------------|---|
| TXT_LNE                             | Text Line                            | A line of text used in the long text fields within probable cause, violation acts, DAG-71 and DAG-72 screens.  | N               | See Note *                              |
| TXT_TYP                             | Text Line Type                       | A code that identifies what the corresponding text line (long text field) on the DAG-71 or DAG-72 refers to. Examples include "A" if a user has entered other assets on the DAG-71 or "O" if the user entered other agency comments on the DAG-72. | Y               |   |
| UPDT_TMSTMP                         | Last Update Date/Time                | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.   | Y               |   |
| <b>DAGRCMD_T</b>                    |                                      |  |                 |   |
| ASSET_ID                            | Asset ID                             | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.  | N               | (b)(7)(F)                               |
| AWD_EST_AMT                         | Award Estimated Amount               | The total amount of awards to be paid that are associated with a specific seized asset.  | N               | (b)(6) (b)(7)(C)<br>(b)(7)(D) (b)(7)(E) |
| EXP_WVR_FLG                         | Expense Waiver Flag                  | A yes/no flag indicating if the expenses of seizure are waived at the time of the transfer of the asset.   | Y               |   |
| FO_CONTST_FLG                       | Forfeiture Contested Flag            | A yes/no flag that indicates whether a judicial forfeiture was contested.  | Y               |   |
| RVW_DT                              | Reviewed Date                        | The date the DAG-72 sharing recommendation or final decision was made.   | Y               |   |
| RVWR_NM                             | Reviewer Name                        | The name of the person reviewing the DAG-72 recommendation or decision.  | N               | (b)(7)(C)                               |
| RVWR_TTL                            | Reviewer Title                       | The title of the person reviewing the DAG-72 recommendation or final decision.   | N               | See Note *                              |
| SHR_ACTN_SRC                        | Sharing Action Source Code           | A code that indicates the office that sends or receives the equitable sharing packet. Valid values include A - Field Office, G - USA, and H - DAG.   | Y               |   |
| SHR_AMT_FED                         | Sharing Amount Federal               | The amount that will be retained in the Assets Forfeiture Fund which is calculated by the federal share percent entered on the DAG-72 multiplied by the current asset value.   | Y               |   |
| SHR_AUTH_TYP                        | Sharing Authority Type Code          | This code identifies whether the share action source can make the final decision or can only add their recommendation. The share action source decision is based on the value of the seized asset and the forfeiture type.                         | Y               |   |
| SHR_CONCUR_FLG                      | Sharing Concur Flag                  | A yes/no flag that specifies whether the share action source concurs with the recommendation made on an equitable sharing request for a specific asset.  | Y               |   |
| SHR_PKT_RECV_DT                     | Sharing Request Packet Received Date | The date the sharing packet was received from the previous approving offices.  | Y               |   |
| SHR_PKT_SNT_DT                      | Sharing Request Packet Sent Date     | The date the sharing packet was sent to the next level office for approval.  | Y               |   |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>                      | <i>Element Definition</i>   | <i>Disclose</i> | <i>All Exemptions</i> |
|-------------------------------------|---|---|-----------------|-----------------------|
| SHR_PTCPN_EST                       | Sharing Participation Percentage Estimate | An estimate given by the share action source of overall percentage participation by a state/local agency investigating the resulted in a specific asset seized. This estimate must be provided when the requesting agency submits an equitable sharing request. | Y               |                       |
| SHR_RCMD_CD                         | Sharing Recommendation Code               | A code that indicates the decision on a sharing recommendation. Examples are D (deny), E (Extinguished), G (grant) or W (withdrawn).  | Y               |                       |
| SHR_RCMD_TYP_CD                     | Sharing Recommendation Type Code          | A code that identifies whether an agency has requested cash proceeds or wants the physical property.  | Y               |                       |
| UPDT_TMSTMP                         | Last Update Date/Time                     | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.  | Y               |                       |
| <b>DAGRPCT_T</b>                    |   |   |                 |                       |

| ASSET_RLS_TO_NM                     | Asset Released To Name       | The name of an individual (if disposition type=08 Return Asset) or agency (if disposition type=11 EQ Sharing) that asset is released to upon disposal. Field is required when disposition type =11 and agency is USMS or USPS.                              | N               | (b)(6) (b)(7)(C)      |
| CRTN_DT_TMSTMP                      | Creation Date and Time Stamp | The date and time of the record's creation. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.   | Y               |                       |
| DSPN_AGCY_CD                        | Disposition Agency Code      | The Federal Agency code who disposed the Asset.   | Y               |                       |
| DSPN_AMT                            | Disposition Amount           | Sale Price, if sold, or value of the Asset/Item.  | Y               |                       |
| DSPN_CMNT                           | Disposition Comment          | Textual comments that explain the plan or the purpose for Disposition of the Asset.   | N               | See Note *            |
| DSPN_DT                             | Disposition Date             | The date when the asset/item was disposed.  | Y               |                       |
| DSPN_SUBTYP                         | Disposition Sub Type Code    | Two disposition codes, return and sold have sub types associated with them. For returned assets, the sub type identifies to whom the asset was returned (e.g. party) For sold assets, the sub type identifies how the asset was sold (e.g. public auction). | Y               |                       |
| DSPN_TYP                            | Disposition Type Code        | A code that identifies the method used for "final" disposition of a seized asset. A single asset ID may contain more than one disposition type.   | Y               |                       |
| DSPN_VAL                            | Disposition Value            | The amount of the Asset Value at the time of Disposal.  | Y               |                       |
| DSTR_METH_TXT                       | Destruction Method Text      | A narrative description of how the asset was destroyed by the custodial agency.   | N               | See Note *            |
| FUNDS_LOC_CD                        | Funds Location Code          | A code indicating where seized funds are located. Examples include Asset Forfeiture Fund and Financial Institution. Codes are maintained by the agency through the CATS Update Picklist Function.   | Y               |                       |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>                | <i>Element Definition</i>  | <i>Disclose</i> | <i>All Exemptions</i> |
|-------------------------------------|-------------------------------------|--|-----------------|-----------------------|
| HLD_HRMLS_EXEC                      | Hold Harmless Execution Flag        | A Flag which indicates Yes or No for the Execution of the Hold Harmless Document at time of disposal.  | Y               |                       |
| IA_JUD_SUB_OFC                      | IA Judicial Sub-Office ID           | The sub office of the corresponding investigative agency of judicial district.   | Y               |                       |
| INV_NO_AGCY                         | Agency Inventory Number             | The number or identification code assigned to a non-conveyance type property when disposition type = 02,03,07,08 or 09. This number/code is typically assigned by the agency's Property Management Unit. | N               | (b)(6) (b)(7)(C)      |
| ITEM_SEQ_NO                         | Item Sequence Number                | A number that uniquely identifies an inventory item within a specific asset.   | Y               |                       |
| OFC_DIST                            | Office District                     | The code of an office id for an Investigative Agency, or the code for a Judicial District.   | Y               |                       |
| RLS_TO_PTY_ID                       | Release To Party ID                 | The ID of the petitioner who received the asset.   | Y               |                       |
| RP_CLSG_EXP_FLG                     | Real Property Closing Expenses Flag | A flag indicating if there were closing costs involved in the disposal of an Asset. This field is only related to Real Property.   | Y               |                       |
| UPDT_TMSTMP                         | Last Update Date/Time               | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.                                   | Y               |                       |
| VEND_ID_CD                          | Vendor ID Code                      | A unique identifier of a vendor who has the responsibility of maintaining an Asset.  | Y               |                       |
| VEND_LOC_CD                         | Vendor Location Code                | A sequential number code generated by CATS that uniquely identifies different location within the same vendor structure.   | Y               |                       |
| <b>DSPINST_TXT_T</b>                |                                     |  |                 |                       |
| ASSET_ID                            | Asset ID                            | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.  | N               | (b)(7)(F)             |
| DSPN_DCSN                           | Disposition Decision Code           | A code or a numeric cell entry that identifies the type of disposition decided for Asset or Item. Eg: #05 =Sold/Liquidate or #03= Destroy.   | Y               |                       |
| ITEM_SEQ_NO                         | Item Sequence Number                | A number that uniquely identifies an inventory item within a specific asset.   | Y               |                       |
| TXT_LNE                             | Text Line                           | A line of text used in the long text fields within probable cause, violation acts, DAG-71 and DAG-72 screens.  | N               | See Note *            |
| UPDT_TMSTMP                         | Last Update Date/Time               | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.                                   | Y               |                       |

| DSPL_NOT_CLS                        | Disposal Notice Clause Code         | A code that designates a specific notation in the CATS generated "Disposal Notice to USMS" letter. Ex: 1,2,3,4   | Y               |                       |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>             | <i>Element Definition</i>   | <i>Disclose</i> | <i>All Exemptions</i> |
|-------------------------------------|----------------------------------|---|-----------------|-----------------------|
| DSPL_NOT_CLS_DC                     | Disposal Notice Clause           | The disposal explanation clause for the asset that appears in the disposal notice document.   | Y               |                       |
| DSPL_RTN_CND_L                      |                                  |   |                 |                       |
| DSPL_RTN_CND_CD                     | Asset Return Conditions Code     | The coded value indicating assets return condition clauses. Options are: 1. You must present a cashier's check for expenses and/or penalty, 2. You must execute a Hold/Harmless Indemnity Agreement, 3. All of the above.                                   | Y               |                       |
| DSPL_RTN_CND_DC                     | Asset Return Condition           | The coded value for asset return condition clauses. Example: A=Return to Owner, B=Return to Lienholder, C=Return to Third Party and D=Restitution.  | Y               |                       |
| DSPN_AGCY_L                         |                                  |   |                 |                       |
| DSPN_AGCY_CD                        | Disposition Agency Code          | The Federal Agency code who disposed the Asset.   | Y               |                       |
| DSPN_AGCY_LONG                      | Disposition Agency               | A decode identifying the federal agency who conducted the disposal of an asset. Contractors are coded under the agency who authorized them.   | Y               |                       |
| DSPN_DCSN_L                         |                                  |   |                 |                       |
| DSPN_DCSN                           | Disposition Decision Code        | A code or a numeric cell entry that identifies the type of disposition decided for Asset or Item. Eg: #05 =Sold/Liquidate or #03= Destroy.  | Y               |                       |
| DSPN_DCSN_DC                        | Disposition Decision             | The decision to dispose the Asset. Ex. Sold/Liquidate, Destroy.   | Y               |                       |
| DSPN_SBDCSN_L                       |                                  |   |                 |                       |
| DSPN_DCSN                           | Disposition Decision Code        | A code or a numeric cell entry that identifies the type of disposition decided for Asset or Item. Eg: #05 =Sold/Liquidate or #03= Destroy.  | Y               |                       |
| DSPN_SUBDCSN_CD                     | Disposition Sub-Decision Code    | A code for the sub category of the disposition instruction, "Return Asset".   | Y               |                       |
| DSPN_SUBDCSN_DC                     | Disposition Sub Type Description | A description of the sub category of the disposition instruction, "Return Asset". Examples include, return to lienholder, owner, victim/restitution, or third party.  | Y               |                       |
| DSPN_SUBTYP_L                       |                                  |   |                 |                       |
| DSPN_SUBTYP                         | Disposition Sub Type Code        | Two disposition codes, return and sold have sub types associated with them. For returned assets, the sub type identifies to whom the asset was returned (e.g. party) For sold assets, the sub type identifies how the asset was sold (e.g. public auction). | Y               |                       |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>                  | <i>Element Definition</i>   | <i>Disclose</i> | <i>All Exemptions</i> |
|-------------------------------------|---------------------------------------|---|-----------------|-----------------------|
| DSPN_SUBTYP_DC                      | Disposition Sub-Type Decode           | The value of the disposition sub types for disposition codes of return and sold. Examples include return to owner, return to lienholder, public auction, restitution, or sealed bid.            | Y               |                       |
| DSPN_TYP                            | Disposition Type Code                 | A code that identifies the method used for "final" disposition of a seized asset. A single asset ID may contain more than one disposition type.   | Y               |                       |
| SALE_TYP                            | Sale Type                             | Sale Type, similar to CATS Disposition Sub-types for Disposition Type "Sell/Liquidate". This is a GSA-standard code used in the FAS data sent to GSA for advertising of pending asset auctions. | Y               |                       |
| <b>DSPN_TYP_L</b>                   |                                       |   |                 |                       |
| DSPN_TYP                            | Disposition Type Code                 | A code that identifies the method used for "final" disposition of a seized asset. A single asset ID may contain more than one disposition type.   | Y               |                       |
| DSPN_TYP_DC                         | Disposition Type                      | Destroy the asset.  | Y               |                       |
| <b>EFT_FUNDS_TYP_L</b>              |                                       |   |                 |                       |
| DLVRY_MTHD                          | EFT Funds Delivery Method Code        | The Electronic Funds Transfer Funds Delivery Method is the type of the original deposit: seized cash and paper check.   | Y               |                       |
| DLVRY_MTHD_DC                       | EFT Funds Delivery Method Description | The Delivery Method Description provides the decode to distinguish between seized cash and paper check.   | N               | (b)(6) (b)(7)(C)      |
| <b>ELMNT_NM_L</b>                   |                                       |   |                 |                       |
| ELMNT_DESC                          | Database Element Description          | The plain text description of the database element.   | Y               |                       |
| ELMNT_NM                            | Database Element Name                 | The existing name of the database element in the catalog  | Y               |                       |

| IA_JUD_SUB_OFC                      | IA Judicial Sub-Office ID      | The sub office of the corresponding investigative agency of judicial district.  | Y               |                       |
| OFC_DIST                            | Office District                | The code of an office id for an Investigative Agency, or the code for a Judicial District.  | Y               |                       |
| RPT_PRD_END_DT                      | Reporting Period Ending Date   | The end date that the expenses were incurred, for distribution payment among an asset group.  | Y               |                       |
| RPT_PRD_STRT_DT                     | Reporting Period Starting Date | The start date that the expenses were incurred, for distribution payment among an asset group.  | Y               |                       |
| SOC_CD                              | SOC Code                       | A code indicating the sub-object classifications for accounting transactions processed in both the Asset Forfeiture System and an agency's accounting system. Every transaction in accounting will have an associated SOC Code. | Y               |                       |
| UPDT_TMSTMP                         | Last Update Date/Time          | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.  | Y               |                       |
| VEND_LOC_CD                         | Vendor Location Code           | A sequential number code generated by CATS that uniquely identifies different location within the same vendor structure.  | Y               |                       |
| <b>LWST_PND_L</b>                   |                                |   |                 |                       |
| LWST_PND_CD                         | Lawsuit Pending Code           | A code that indicates whether a civil action has been filed against the U.S. Government regarding a forfeiture action. The values for this code are found in the Lawsuit Pending Status decode table.                           | Y               |                       |
| LWST_PND_DC                         | Lawsuit Pending Status         | These values are associated with the Lawsuit Pending Code within Administrative Forfeiture. Examples: C: Closed, N: Not Filed and P: Pending.   | Y               |                       |
| <b>MIN_THRSHLD_L</b>                |                                |   |                 |                       |
| ASSET_TYP_CD                        | Asset Type Code                | A code describing the type of asset such as VH - vehicle, VS - vessel, CA - cash. Descriptions for this code are found in the Asset Type decode table.  | Y               |                       |
| MIN_THRSHLD                         | Minimum Threshold              | Minimum monetary threshold value for the given Asset Type.  | Y               |                       |
| <b>NCIC_CD_L</b>                    |                                |   |                 |                       |
| ACA_AGCY_TYP                        | ACA Agency Type                | Specifies the type of ACA agency. Examples include P - Police Dept, T-Task Force, N-National guard.   | Y               |                       |
| ACA_LST_RCPT_TM                     | ACA Last Receipt Timestamp     | This timestamp is updated whenever an ACA record for the associated NCIC/ORI Code is received via the interface, regardless if it results in a change to the NCIC/ORI information.  | Y               |                       |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>         | <i>Element Definition</i>   | <i>Disclose</i> | <i>All Exemptions</i> |
|-------------------------------------|------------------------------|---|-----------------|-----------------------|
| ACA_LST_UPDT_TM                     | ACA Last Update Timestamp    | This timestamp is updated whenever an ACA record received via the interface results in data being updated on the CATS table.            | Y               |                       |
| DENIAL_DT                           | Denial Date                  | The date an NCIC contact is denied participation for sharing.   | Y               |                       |
| FED_SUSP_FLG                        | Federal Suspend Flag         | This field will determine if the Federal NCIC code is inactive.   | Y               |                       |
| FINAL_DENL_DT                       | Final Denial Date            | The date that a final decision is made to deny an NCIC contact participation in sharing.  | Y               |                       |
| FINAL_NOT_DT                        | Final Notice Date            | The last date that an NCIC contact has to determine participation in sharing.   | Y               |                       |
| FY_MON_END                          | Agency Fiscal Year Month End | Specifies the ACA Month End period  | Y               |                       |
| INELIG_DT                           | Ineligible Date              | The date used to determine when an NCIC contact is no longer eligible for sharing.  | Y               |                       |
| NCIC_AGCY_TYP                       | NCIC Agency Type Code        | The code used to identify the type of law enforcement agency participating in the National Criminal Information Center (NCIC) database. | Y               |                       |
| NCIC_CMPLNC_DT                      | NCIC Compliance Date         | The date that the compliance agreement is signed by the authorizing officer for a particular law enforcement agency.                    | Y               |                       |
| NCIC_CT_EMAIL                       | NCIC Contact Email           | The email address of the contact name for the NCIC  | N               | (b)(6) (b)(7)(C)      |
| NCIC_CT_FAX                         | Other Agency Contact Fax     | The fax number of an NCIC contact.  | N               | (b)(6) (b)(7)(C)      |
| NCIC_CT_NM                          | Other Agency Contact Name    | The name of an NCIC contact.  | N               | (b)(6) (b)(7)(C)      |
| NCIC_CT_PH                          | Other Agency Contact Phone   | The phone number of an NCIC contact.  | N               | (b)(6) (b)(7)(C)      |
| NCIC_CTY                            | NCIC/ORI City                | The city where an NCIC contact is located.  | N               | (b)(6) (b)(7)(C)      |
| NCIC_GRP_ID                         | NCIC Group ID                | An abbreviation used to determine if an NCIC contact is a federal law enforcement agency. Examples are USPS, USMS, DEA, FBI etc.        | Y               |                       |
| NCIC_SA1                            | Other Agency Address         | The address of an NCIC contact.   | N               | (b)(6) (b)(7)(C)      |
| NCIC_SHR_DT                         | Hold Share Date              | The date an NCIC contact is authorized participation in the equitable share process.  | Y               |                       |
| NCIC_ST                             | NCIC/ORI State               | The state where an NCIC contact is located.   | Y               |                       |
| NCIC_ZIP                            | Other Agency Zip Code        | The zip code of an NCIC contact.  | N               | (b)(6) (b)(7)(C)      |
| OAG_NCIC_CD                         | Other Agency NCIC Code       | A unique identifier of the state or local agency assigned by the National Crime Information Center. Example CAINS2200                   | N               | (b)(7)(E)             |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>                        | <i>Element Definition</i>  | <i>Disclose</i> | <i>All Exemptions</i> |
|-------------------------------------|---|--|-----------------|-----------------------|
| OAG_NM                              | Other Agency Name                           | Other agency's name. Example: Los Ang Drug Task Force  | Y               |                       |
| RTND_CMPLNC_DT                      | Agency Returned To Compliance Date          | For agencies that were not in compliance, this date represents the date they were brought back into compliance.  | Y               |                       |
| SHR_PTCPN_CD                        | Equitable Sharing Participation Status Code | A code indicating if an NCIC organization is capable of sharing or if it only participates in sharing for statistical purposes. Codes are either C - Sharing Capable or S - Statistical Only.  | Y               |                       |
| SL_CUTOVER_DT                       | State and Local Cutover Date                | The date the State and Local agencies must start submitting their Sharing Requests via eShare  | Y               |                       |
| UPDT_TMSTMP                         | Last Update Date/Time                       | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.                         | Y               |                       |
| <b>NCIC_GEO_L</b>                   |   |  |                 |                       |
| GEO_CATEGORY                        | Geographic Category Code                    | A three letter abbreviation for each country within the geographic area. Examples are USA for United States of America, MEX for Mexico, CAN for Canada.  | Y               |                       |
| GEO_NAME                            | Geographic Name                             | The name of each state and country within the geographic region. Examples are Albania, Alaska, Africa and British Indian Ocean Terr.   | Y               |                       |
| NCIC_GEO_CD                         | NCIC Geographic Code                        | A list of codes included in the NCIC geographic region.  | Y               |                       |
| <b>NCIC_HIT_L</b>                   |   |  |                 |                       |
| NCIC_HIT                            | NCIC Hit Code                               | A code that indicates the status returned for an asset as a result of a search through the NCIC database. Example, a code of "Y" means the asset was found on the NCIC database and is stolen. | Y               |                       |
| NCIC_HIT_DC                         | NCIC Hit                                    | These values are associated with NCIC Hit code. They are "Not Found", "Not Performed" and "Found".   | Y               |                       |
| <b>NOT_ADR_TYP_L</b>                |   |  |                 |                       |
| NOT_ADR_TYP                         | Notification Address Type Code              | A code indicating which address was noticed for an interested party. The values for this code are found in the notification address type decode table.   | Y               |                       |
| NOT_ADR_TYP_DC                      | Notification Address Type                   | These values are associated with the notification address type code. Examples are attorney address, jail address and party address   | N               | (b)(6) (b)(7)(C)      |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>                   | <i>Element Definition</i>  | <i>Disclose</i> | <i>All Exemptions</i> |

| PSTL_SVC_TYP                        | Postal Service Type Code            | These codes are predefined by the USPS and are used by all the agencies. The values for this code are found in the postal service type decode table. Examples include CER, CRR, or RRR.   | Y               |                       |
| PSTL_SVC_TYP_DC                     | Postal Service Type                 | These values are associated with the postal service type code. Examples include Certified, Certified, Return Receipt and Registered, Return Receipt.  | Y               |                       |
| <b>PTNEXP_T</b>                     |                                     |   |                 |                       |
| ACTG_TRAN_X_CD                      | Accounting Transaction X Code       | A code indicating the type of accounting transaction such as check number, obligation, or voucher number. More descriptions of this code are found in the Accounting Transaction Code Table.                                    | Y               |                       |
| ACTG_TRANS_ID                       | Accounting Transaction ID           | A transaction number recorded in CATS that corresponds to the assigned transaction number for an expense or collection in an agency's accounting system of record.  | N               | (b)(6) (b)(7)(C)      |
| ASSET_ID                            | Asset ID                            | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.   | N               | (b)(7)(F)             |
| EXP_PN_TYP                          | Petition Expense Paid Off Indicator | Indicator of the type of petition that the expense has paid off. This code will be "A" for Administrative Petition, "P" for Judicial Petition, or "C" for Judicial Claim.   | Y               |                       |
| PN_RCPT_DT                          | Petition Receipt Date               | The date when a petition is received by an agency.  | Y               |                       |
| PN_TYP                              | Petition Type Code                  | A code that uniquely identifies the type of petition. Ex; A= remission / mitigation, B=fund restoration,C=expedited or D=reconsideration.   | Y               |                       |
| PTY_ID                              | Party ID                            | A system generated identification number used to uniquely identify each interested party within CATS. This identification number will be assigned sequentially to each unique interested party as information is entered.       | Y               |                       |
| SOC_CD                              | SOC Code                            | A code indicating the sub-object classifications for accounting transactions processed in both the Asset Forfeiture System and an agency's accounting system. Every transaction in accounting will have an associated SOC Code. | Y               |                       |
| UPDT_TMSTMP                         | Last Update Date/Time               | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.  | Y               |                       |
| <b>PTY_TYP_L</b>                    |                                     |   |                 |                       |
| PTY_TYP                             | Party Type Code                     | A code that identifies the type of party which has an interest in a seized asset. Codes are usually 01 THRU 19 OR 99.   | Y               |                       |

| VEHCL_SIZE                          | Vehicle Size Code          | A code indicating the size of the vehicle such as compact/subcompact or intermediate/midsize truck. The codes include "C", "I", "L", "S", etc. The values of these codes are found in the Vehicle Size decode table. | Y               |                       |
| VEHCL_SIZE_DC                       | Vehicle Size               | A value representing the size of the vehicle. Examples: C- Subcompact/compact, I- Intermediate/midsize trks, L- Luxury cars/medium-duty trks, O- Other S Std size cars/trks  | Y               |                       |
| <b>VEHICLES_T</b>                   |                            |  |                 |                       |
| AIR_CNDR_FLG                        | Air Conditioner Flag       | A flag indicating whether or not the conveyance is equipped with an air conditioner. Valid values are: "Y" or "N".   | Y               |                       |
| ASSET_COLOR                         | Asset Color                | The color of the seized asset.   | N               | See Note *            |
| ASSET_ID                            | Asset ID                   | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.  | N               | (b)(7)(F)             |
| ASSET_PHOTO_TKN                     | Asset Photo Taken Flag     | A flag indicating at least one photograph has been taken of the seized asset during the seizure process. "Y" or "N" (Photo was/was not taken)  | Y               |                       |
| CNCLD_CMPT_FLG                      | Concealed Compartment Flag | A flag indicating if the asset has a concealed compartment. Valid values are "Y" or "N".   | Y               |                       |
| CND                                 | Asset Condition Code       | A code identifying the condition of the asset at the time of seizure such as excellent, good, or fair. The values for this code are found in the Asset Condition decode table.                                       | Y               |                       |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>    | <i>Element Definition</i>   | <i>Disclose</i> | <i>All Exemptions</i>                   |
|-------------------------------------|-------------------------|---|-----------------|---|
| CND_NADA                            | NADA Condition Code     | A code that identifies the condition of a vehicle using the categories from the NADA booklet. These condition categories and other vehicle attributes (e.g., year, make, model) may be used to estimate the value of the vehicle. | Y               |   |
| CYL                                 | Number Of Cylinders     | The number of cylinders in the engine of the asset.   | Y               |   |
| DOOR_QTY                            | Door Quantity           | The number of doors the conveyance is equipped with.  | Y               |   |
| FR_WHL_DRV_FLG                      | 4-Wheel Drive Flag      | A yes/no flag indicating whether the seized conveyance is equipped with four wheel drive.   | Y               |   |
| LIC_CTRY                            | Licensing Country       | The name of the country where this asset is licensed.   | N               | (b)(7)(C) (b)(7)(C)                     |
| LIC_NO                              | License Number          | The asset's license or registration number. This does not include the state's name or an abbreviation containing the state's name. Examples of license number include Conveyance License and Business License.                    | N               | (b)(6) (b)(7)(C)                        |
| LIC_ST                              | License State           | The name of the state where this asset is licensed.   | N               | (b)(6) (b)(7)(C)                        |
| LIC_YR                              | License Year            | The year when the asset or the asset's license was issued.  | N               | (b)(6) (b)(7)(C)                        |
| MAKE                                | Asset Make              | A description of the asset or equipment's make, e.g. Chevrolet, Honda, Lear Jet, etc. or commonly the manufacturer's name.  | N               | See Note *                              |
| MFG_YR                              | Asset Manufactured Year | The year when the asset was manufactured.   | Y               |   |
| MILEAGE                             | Asset Mileage           | A free-form description of the number of miles/kilometers as read from the vehicle's odometer at time of seizure. (Ex: 150,000 Miles or 250,000 km)   | N               | See Note *                              |
| MODEL                               | Asset Model Name        | Name of the model of the asset or equipment, e.g. Mustang, Town Car, etc.   | N               | (b)(6) (b)(7)(C)<br>(b)(7)(E) (b)(7)(F) |
| NCIC_HIT                            | NCIC Hit Code           | A code that indicates the status returned for an asset as a result of a search through the NCIC database. Example, a code of "Y" means the asset was found on the NCIC database and is stolen.                                    | Y               |   |
| SP_EQUIP_FLG                        | Special Equipment Flag  | A yes/no flag indicating if the asset has any special equipment, such as radio, telephone, etc.   | Y               |   |
| STYLE                               | Style                   | The description of the asset's style. For vehicles, the style could be "convertible" or "coupe". For jewelry, the style could be "art deco".  | N               | See Note *                              |
| TRMN_TYP                            | Transmission Type Code  | A code indicating the type of transmission installed on a conveyance such as auto, 4-speed, 5-speed. Descriptions of these codes are found in the Transmission Type decode table.   | Y               |   |

| <i>Table Name/<br/>Element Name</i> | <i>Friendly Name</i>             | <i>Element Definition</i>  | <i>Disclose</i> | <i>All Exemptions</i> |
|-------------------------------------|----------------------------------|--|-----------------|-----------------------|
| UPDT_TMSTMP                         | Last Update Date/Time            | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.   | Y               |                       |
| VEHCL_SIZE                          | Vehicle Size Code                | A code indicating the size of the vehicle such as compact/subcompact or intermediate/midsize truck. The codes include "C", "I", "L", "S", etc. The values of these codes are found in the Vehicle Size decode table. | Y               |                       |
| VEHCL_SLVG_CERT                     | Vehicle Salvage Certificate Flag | This flag identifies whether this vehicle was ever written off and later salvaged. This is identified through a check with the DMV.  | Y               |                       |
| WT                                  | Weight                           | The actual numeric weight of the asset.  | Y               |                       |
| WT_UNT                              | Weight Unit Code                 | A code indicating a specific measure of weight. Examples include G - gram and K - kilogram. The descriptions of these codes are found in the Weight Unit Code decode table.  | Y               |                       |
| VEND_SVC_UNT_L                      |                                  |  |                 |                       |
| VEND_SVC_UNT_CD                     | Vendor Service Unit Code         | A code that identifies the unit of cost for services a vendor provides. Valid codes are D (Day), M (Month), W (Week), H (Hour) and M (Mile).   | Y               |                       |
| VEND_SVC_UNT_DC                     | Vendor Service Unit Decode       | A value that identifies the unit of cost for services a vendor provides. Valid codes are Day, Month, Week, Hour and Mile.  | Y               |                       |
| VEND_TYP_L                          |                                  |  |                 |                       |
| VEND_TYP                            | Vendor Type Code                 | A code identifying the vendor as private, government or other. The values of this code is found in the Vendor Type decode table.   | Y               |                       |
| VEND_TYP_DC                         | Vendor Type                      | A value identifying the vendor as private or government. Valid values are G- Government, O- Other, P- Private, X- Denied.  | Y               |                       |
| VENDOR_T                            |                                  |  |                 |                       |
| ACTIVE_FLG                          | Active Status Flag               | This is the current status of the Vendor. The Vendor is either active or inactive.   | Y               |                       |
| AGCY_NM_CD                          | Agency Name Code                 | A code identifying federal agencies such as FBI, DEA, INS who are responsible for the associated asset forfeiture activity or information. Codes are maintained by the agency through CATS Update.                   | Y               |                       |
| AGCY_RGN_CD                         | Agency Region Code               | A code used to group offices, in most cases, geographically. Codes will be maintained by the agency through the CATS Update Picklist Function.   | Y               |                       |

| VEND_LOC_CD       | Vendor Location Code                 | A sequential number code generated by CATS that uniquely identifies different location within the same vendor structure.   | Y |                  |
| VEND_SVC_RT       | Vendor Service Rate                  | The dollar amount that a vendor charges on a hourly, daily, weekly, monthly for a particular service.  | Y |                  |
| VEND_SVC_UNT_CD   | Vendor Service Unit Code             | A code that identifies the unit of cost for services a vendor provides. Valid codes are D (Day), M (Month), W (Week), H (Hour) and M (Mile).                                   | Y |                  |
| <b>VESSEL_T</b>   |                                      |  |   |                  |
| ASSET_COLOR       | Asset Color                          | The color of the seized asset.   | N | See Note *       |
| ASSET_ID          | Asset ID                             | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.  | N | (b)(7)(F)        |
| ASSET_LEN         | Asset Length                         | The length of the seized asset. Both the value and the units must be stated, i.e. 4 feet, 100 meters, etc.   | Y |                  |
| ASSET_PHOTO_TKN   | Asset Photo Taken Flag               | A flag indicating at least one photograph has been taken of the seized asset during the seizure process. "Y" or "N" (Photo was/was not taken)                                  | Y |                  |
| ASSET_WIDTH       | Asset Width                          | The width of the seized asset. Both the value and the units must be stated, i.e. 4 feet, 100 meters, etc.  | Y |                  |
| CNCLD_CMPT_FLG    | Concealed Compartment Flag           | A flag indicating if the asset has a concealed compartment. Valid values are "Y" or "N".   | Y |                  |
| CND               | Asset Condition Code                 | A code identifying the condition of the asset at the time of seizure such as excellent, good, or fair. The values for this code are found in the Asset Condition decode table. | Y |                  |
| ENGN_QTY          | Engine Quantity                      | The number of engines installed in the aircraft or vessel.   | Y |                  |

|               |                               |  |   |  |
|---------------|-------------------------------|--|---|--|
| ENGN_SIZE     | Engine Size                   | The size of the engine installed in the aircraft or vessel, including units of measurement (cubic inches, liters, etc.)  | Y |  |
| HULL_NO       | Hull Number                   | The identification/serial number indicated on the vessel's hull.   | N | (b)(6) (b)(7)(C)                         |
| HULL_TYP      | Hull Type Code                | A code indicating the type of material used to construct the vessels hull. Examples includes: A- Aluminum, B- Concrete, C- Fiberglass, D- Foam, etc.   | Y |  |
| LIC_CTRY      | Licensing Country             | The name of the country where this asset is licensed.  | N | (b)(6) (b)(7)(C)                         |
| LIC_NO        | License Number                | The asset's license or registration number. This does not include the state's name or an abbreviation containing the state's name. Examples of license number include Conveyance License and Business License. | N | (b)(6) (b)(7)(C)                         |
| LIC_ST        | License State                 | The name of the state where this asset is licensed.  | N | (b)(6) (b)(7)(C)                         |
| LIC_YR        | License Year                  | The year when the asset or the asset's license was issued.   | N | (b)(6) (b)(7)(C)                         |
| MAKE          | Asset Make                    | A description of the asset or equipment's make, e.g. Chevrolet, Honda, Lear Jet, etc. or commonly the manufacturer's name.   | N | See Note *                               |
| MFG_YR        | Asset Manufactured Year       | The year when the asset was manufactured.  | Y |  |
| MODEL         | Asset Model Name              | Name of the model of the asset or equipment, e.g. Mustang, Town Car, etc.  | N | (b)(6) (b)(7)(C)<br>(b)(7)(E) (b)((7)(F) |
| NCIC_HIT      | NCIC Hit Code                 | A code that indicates the status returned for an asset as a result of a search through the NCIC database. Example, a code of "Y" means the asset was found on the NCIC database and is stolen.                 | Y |  |
| SP_EQUIP_FLG  | Special Equipment Flag        | A yes/no flag indicating if the asset has any special equipment, such as radio, telephone, etc.  | Y |  |
| STYLE         | Style                         | The description of the asset's style. For vehicles, the style could be "convertible" or "coupe". For jewelry, the style could be "art deco".   | N | See Note *                               |
| UPDT_TMSTMP   | Last Update Date/Time         | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server.   | Y |  |
| VSL_ENGN_MNT  | Vessel Engine Mount Type Code | A code describing where the vessel's engines are mounted. Examples: "B", "I", "O". Descriptions of these codes are found in the Vessel Engine Mount decode table.  | Y |  |
| VSL_NM        | Vessel Name                   | The name of the boat or ship seized. This field may also contain the state registration number or the Coast Guard documentation number.  | N | (b)(6) (b)(7)(C)                         |
| VSL_TRLR_CTRY | Vessel Trailer Country        | The country where this vessel trailer is licensed.   | N | (b)(6) (b)(7)(C)                         |

|                        |                               |  |   |                  |
|------------------------|-------------------------------|--|---|------------------|
| VSL_TRLR_FLG           | Vessel Trailer Flag           | A yes/no flag indicating if the appropriate trailer was also seized for this vessel.   | N | (b)(6) (b)(7)(C) |
| VSL_TRLR_LIC_NO        | Vessel Trailer License Number | The asset's license or registration number of the vessel trailer. This does not include the state's name or an abbreviation containing the state's name.               | N | (b)(6) (b)(7)(C) |
| VSL_TRLR_LIC_ST        | Vessel Trailer License State  | The state where the vessel trailer is licensed.  | N | (b)(6) (b)(7)(C) |
| VSL_TRLR_LIC_YR        | Vessel Trailer License Year   | The year when the vessel trailer's license was issued.   | Y |                  |
| <b>VIOL_ACTS_T</b>     |                               |  |   |                  |
| ASSET_ID               | Asset ID                      | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.  | N | (b)(7)(F)        |
| UPDT_TMSTMP            | Last Update Date/Time         | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server. | Y |                  |
| VIOL_SBSCNTN_CD1       | Violation Subsection Code 1   | This is INS specific to the Western Region. The violation subsection code is Sec. 274(a)(1)(A)(i).   | Y |                  |
| VIOL_SBSCNTN_CD2       | Violation Subsection Code 2   | This is INS specific to the Western Region. The violation subsection code is Sec. 274(a)(1)(A)(ii).  | Y |                  |
| VIOL_SBSCNTN_CD3       | Violation Subsection Code 3   | This is INS specific to the Western Region. The violation subsection code is Sec. 274(a)(1)(A)(iii).   | Y |                  |
| VIOL_SBSCNTN_CD4       | Violation Subsection Code 4   | This is INS specific to the Western Region. The violation subsection code is Sec. 274(a)(1)(A)(iv).  | Y |                  |
| VIOL_SBSCNTN_CD5       | Violation Subsection Code 5   | This is INS specific to the Western Region. The violation subsection code is Sec. 274(a)(2).   | Y |                  |
| VIOL_SBSCNTN_CD6       | Violation Subsection Code 6   | This is INS specific to the Western Region. The violation subsection code is Sec.274(a)(1)(A)(v)(I).   | Y |                  |
| VIOL_SBSCNTN_CD7       | Violation Subsection Code 7   | This is INS specific to the Western Region. The violation subsection code is Sec. 274(a)(1)(A)(v)(II).   | Y |                  |
| <b>VIOL_ACTS_TXT_T</b> |                               |  |   |                  |
| ASSET_ID               | Asset ID                      | A number that uniquely identifies each asset within CATS. This identifier is automatically generated by CATS.  | N | (b)(7)(F)        |
| TXT_LNE                | Text Line                     | A line of text used in the long text fields within probable cause, violation acts, DAG-71 and DAG-72 screens.  | N | See Note *       |
| UPDT_TMSTMP            | Last Update Date/Time         | The date and time at which a row in a table was updated. This date and time is captured from the current time stored in the DOJ mainframe computer or database server. | Y |                  |

---

## VIOL\_SBSCTN\_L

|                |                             |   |   |
|----------------|-----------------------------|---|---|
| VIOL_SBSCTN_CD | Violation Subsection Code   | A code identifying the violation statute(s) used to define the agency procedures for the seizure of the asset. Ex: B01, C07, D49, C08, etc. | Y |
| VIOL_SBSCTN_DC | Violation Subsection Decode | These values are associated with the Violation Subsection Code. An example is Sec. 274(a)(1)(A)(v)(II).                                     | Y |

## VSL\_ENGN\_MNT\_L

|                 |                               |   |   |
|-----------------|-------------------------------|---|---|
| VSL_ENGN_MNT    | Vessel Engine Mount Type Code | A code describing where the vessel's engines are mounted. Examples: "B", "I", "O". Descriptions of these codes are found in the Vessel Engine Mount decode table. | Y |
| VSL_ENGN_MNT_DC | Vessel Engine Mount           | A value that represents the codes where the vessel's engines are mounted. Examples: (B) Inboard/Outboard, (I) Inboard, (O) Outboard.                              | Y |

## WT\_UNT\_L

|           |                  |   |   |
|-----------|------------------|---|---|
| WT_UNT    | Weight Unit Code | A code indicating a specific measure of weight. Examples include G - gram and K - kilogram. The descriptions of these codes are found in the Weight Unit Code decode table. | Y |
| WT_UNT_DC | Weight Unit      | A value indicating a specific measure of weight Examples: (G) Grams, (K) Kilograms, (O) Ounces (P) Pounds, (T) Tons.  | Y |
